

# Paula Rae Gibson

With Tom Pilling (piano)

Vocalist **Paula Rae Gibson** launches her debut album 'No More Tiptoes' (33 Jazz) with pianist Tom Pilling. An all round creative artist, equally at home in the worlds of music, photography and poetry, Paula's music has a haunting intimacy reflecting human nature and relationships.

"Music-making doesn't get much more personal than this."  
(Peter Quinn, Jazzwise)

"With comparisons to Kate Bush and Tori Amos, but a distinctly improvised jazz twist, this is refreshingly honest music"

(Mike Flynn, Time Out)
